

Attention!
Attention!

Be on the look out for this hero:

Last seen in Grand Forks, ND
on Jan. 13th, 2012.

Known to pick up garbage and nurse baby birds
back to health.

She's so nice she makes the rest of us look bad.

Do not approach! She **will** befriend you, and then
you can kiss your cynicism good-bye.

Call Dr. Horrible immediately if spotted.
