SEASON 73

MESSAGE FROM THE INTERIM EXECUTIVE DIRECTOR

Hello Fire Hall Family,

Wow, what a year 2020 has been! We had a water main break in February, a global pandemic and theatre shutdown in March, and no Firemen's Ball this summer. With all of this, it would be easy to close our doors and walk away, but as they say, "The Show Must Go On!" Even though things are a little precarious in the world right now, the Greater Grand Forks Community Theatre continues to push forward. In October we produced a virtual Spooky Cabaret, featuring some of our favorite friendly goblins. In December, we had a very successful digital run of "Steel Magnolias." Big thanks to the cast, crew, and especially our patrons for supporting us through this new type of theatre. We also produced a virtual Holiday Cabaret featuring favorite songs and stories from familiar Fire Hall faces. In February, we have two digital cabarets to look forward to: "Love Stinks" for our adult patrons, and a celebration of Black History Month for the whole community. In March we open the play "Ripcord," and in May we hope to bring you an outdoor musical written especially for the GGFCT. We are currently hard at work replacing the seats and platforms in the theatre in order to make the space accessible for all of our patrons, so when we can be back together, everyone will have a comfortable place to sit. While it's very hard to be closed to the public, we are doing our best to keep making theatre and performance art that will enrich our community until we can open our doors and welcome everyone back again. As always, we continue to survive on gifts and donations from generous patrons like you. To donate, please visit our website or fill out the attached flier and send by mail. Thank you for sticking with us, thank you for supporting us, and thank you for continuing to believe in the importance of community theatre.

Sincerely,
Amy Driscoll
Interim Executive Director
